EHHOP Asylum Screening Process

New patient?

Yes: Social Work does screening during initial visit

No: Senior Clinicians administer brief screening survey (handed out by the CMs)

Team collects surveys

Social Work does further questioning

Record in Master Patient Spreadsheet

Team schedules Social Work appointment

Is there further evidence that the patient is eligible for asylum?

Record in Master Patient Spreadsheet and inform EHHOP team for follow-up care

Record in Master Patient Spreadsheet

Is the patient already pursuing asylum?

Does the patient wish to pursue asylum?

Contact lawyer (see spreadsheet) and inform MSHP (mountsinaihrc@icahn.mssm.edu). Record in Master Patient Spreadsheet.

Follow-up with the asylum process in 6 months and inform EHHOP team for appropriate care.
